

Vibrant Capital Partners Wins at 2025 HFM US Performance Awards

Vibrant Capital Partners accepts trophy at the 2025 HFM US Performance Awards ceremony

Vibrant Capital Partners is pleased to announce that a fund managed by the firm was named a winner at the 2025 With Intelligence HFM US Performance Awards in the “Relative Value Credit up to \$500 million” category for the second consecutive year.

For nearly two decades, the HFM US Performance Awards have celebrated outstanding achievement across North America’s hedge fund industry, recognizing hedge funds, fund of hedge funds, and commodity trading advisors. Winners are selected by a distinguished panel of institutional allocators and private investment consultants, based on factors such as absolute performance, risk-adjusted returns, and outperformance relative to the With Intelligence benchmark index, among others.

Volkan Kurtas, Chief Executive Officer and Chief Investment Officer of Vibrant, said, “We are proud to receive this recognition from With Intelligence, which serves as validation of our investment approach and of our home-grown talent and technology.”

Kashyap Arora, Managing Director and Co-Chief Investment Officer of Vibrant, said, “This award underscores our deep structured credit expertise and access, rigorous approach to portfolio construction and risk management, and commitment to creating long-term value for our investors. We are grateful to win this award for the second year in a row, and we extend our congratulations to all firms honored.”
