For nearly two decades, the HFM US Performance Awards have rewarded exceptional talent and excellence across North America's hedge fund industry, including hedge funds, funds of hedge funds, and commodity trading advisors. Winners are selected by a panel of judges comprising leading institutional allocators and private investment consultants, with a focus on absolute performance as well as standard deviation of returns and outperformance of the relevant With Intelligence benchmark index, among other factors.

We believe that our structured credit investing effort has been successful due to our focus on principal preservation, prudent asset selection, tactical allocation, and robust sourcing capabilities, and these tenets will remain core to our approach in 2025 and beyond."

Kashyap Arora, Managing Director and Co-Chief Investment Officer of Vibrant, said, "We are pleased to be named alongside this year's strong list of HFM US Performance Awards winners and would like to congratulate all firms honored.
